

Modern Wall-Mount Fireplaces

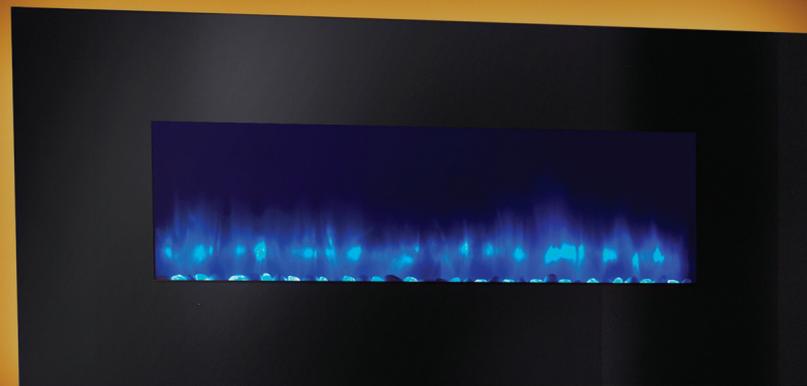

Electric

Modern Style Made Easy

Create a distinct contemporary look. Four Wall-Mount electric fireplace models provide an instant upgrade to any space, with or without the heat. Simply hang these units on the wall and plug them in. Easily find the right size for your space—38, 58, 70 and 94-inch models are available, all with standard multi-colored LED backlighting to accent any décor.

Features

- 100% efficient- costs just pennies an hour to operate. Use with or without heat
- 38, 58, 70 and 94-inch models allows limitless placement options. The 38-inch model includes a stand for optional tabletop use.
- Efficient LED flame and perimeter light technology means the bulbs never need to be changed
- All models have 14 color LED perimeter backlighting to accent any décor
- Intuitive, multi-function remote included with all SimpliFire wall-mount fireplaces allows flame, backlight, and heat control
- 4,800 BTU heat output is perfect for zone heating your space

Above: 58-Inch Linear Wall-Mount shown with blue flame and black glass front.
Cover: 94-Inch Linear Wall-Mount shown with orange flame and black glass front.

Flexible Comfort

Customize every fireside experience, with heat and flame intensity adjustments.

LED Backlighting

Colored LED backlighting surrounds each model. Colors can rotate or remain constant—you control the style and enhance the ambiance.

Multi-Function Remote

Quickly and easily set the mood. Intuitive multi-function remote controls come standard.

Sleek and Slender

The 38-inch model comes with a stand. Mount it on the wall, or just set it down and plug it in.
